

EMS Signs:

- The Kosciusko County Highway Department will furnish and install EMS roadmarker signs on all EMS Lanes that are county maintained roads.
- On the county maintained EMS lanes, the Kosciusko County Highway Department will use the standard county roadmarker sign. The signs will be replaced as the existing EMS roadmarkers deteriorate.
- The Kosciusko County Highway Department will furnish special EMS roadmarker signs and posts for all EMS Lanes that are not county maintained roads. The signs and posts will only be replaced as the existing EMS roadmarkers deteriorate.
- It is the responsibility of the property owners along the non-county maintained EMS Lane to install the roadmarker sign that they obtain from the Kosciusko County Highway Department.
